FREQUENTLY ASKED QUESTIONS

Do you have any setup fees or minimums?

No, there are no hidden setup fees or minimums. Pricing includes all design work, label printing, and popcorn production.

Can I include multiple flavors? Does it affect pricing?

Yes, you can include multiple flavors in your order. The number of bags ordered determines your bulk discount price tier regardless of the number of flavors in your order.

How far in advance should I order?

We typically request five business days advance notice for adequate design and production time. Ordering early gives us more time to craft and perfect your custom labels.

Can I schedule the delivery for a future date?

Yes, you can select a preferred delivery date at checkout. Keep in mind that delivery dates are estimates and may vary, especially during the peak holiday season.

Will the popcorn still be fresh when I get it?

Absolutely! We pop and pack the popcorn right before we ship it to keep it fresh. Once sealed, these bags have a 3-month shelf life if left unopened.

Do you ship nationally?

Yes, we ship nationally from our factory in Tempe, Arizona. Shipping times range from 1 day in Arizona to 5-6 business days for the East Coast.

Do you offer free shipping?

Yes, free shipping is available in the contiguous US on orders over \$50 after all applicable discounts.

What are the design restrictions for my artwork?

We utilize a 4" x 4" square label for your design. The bottom 1" height of the label is typically reserved for flavor and ingredient details. High-res logos, photos, and graphics are welcome, as are specific brand guidelines, themes, and colors. Solid color dark backgrounds are not advised due to pixelation with the label printer.

How can I share the design and instructions for the label?

After placing the order, please email all artwork and design information to orders@kettleheroes.com.

REAL HEROES**

GOURMET ARTISAN POPCORN, HANDCRAFTED TO PERFECTION!

We founded Kettle Heroes Popcorn in 2013 with the aim of highlighting and celebrating the everyday heroes who often go unnoticed. We envisioned Kettle Heroes as a vehicle by which we could bring joy and value to everyday Americans, while also giving back to our community through various charitable causes.

Today, we're privileged to share our handcrafted, mouth-watering popcorn with fans across the globe! Our mission remains centered on recognizing and celebrating the unsung heroes of our society, particularly the selfless veterans who embody the spirit and legacy of our hometown hero, former ASU Sun Devil and Arizona Cardinals NFL player, and U.S. Army Ranger, the late Pat Tillman.

Proudly supporting the Pat Tillman Foundation

Through the Pat Tillman Foundation, each purchase helps empower veterans and military spouses to make a greater impact at home and around the world through scholarships, leadership development, and a global community.
