CELEBRATING EVERYDAY Heroes

We launched Kettle Heroes in 2013 to help make a small difference in the world through amazing popcorn. From our food truck, we harnessed our popcorn superpowers to be agents of good in the community by giving back to support local causes and charities. Today, we're privileged to share our handcrafted, truly artisan, kettle-cooked popcorn with the everyday hero. We celebrate and honor the courageous...in particular, the selfless veterans who so boldly represent the ideals of our hometown hero, the late Pat Tillman.

Through the **Pat Tillman Foundation**, each purchase helps military veterans and their spouses through academic scholarships so that they are empowered to make a greater impact at home and around the world.
